

### **General Guidelines for Students**

1. Students please refer to the material provided (links to videos / ppt / pdf documents) cycle-wise.
2. It is not mandatory for you to take print-outs (hard copies) of any of the material provided. You may open the tasks on any of your devices (mobile phones, tablets, laptops, etc) and solve them in your notebooks.
3. Tasks are given for a particular period of time. Please divide your time so that you are able to complete all the tasks of all the subjects within the stipulated number of days.
4. Students who have not received their notebooks may use any of their old school notebooks to do their work. They may continue using their notebooks if only a few pages of the same have been used.
5. If students do not have single lined unused notebooks, they may use inter-leaf notebooks. They may also use loose sheets.
6. Please use separate notebooks or sheets for each subject. The loose sheets must be filed or stapled properly.
7. Those students who do not have text books may use old textbooks or may download the text books and use them to refer to the chapters and solve the questions given.
8. The NCERT text books can be downloaded by clicking on the following link <http://ncert.nic.in/ebooks.html>
9. You will be notified when further tasks are uploaded.
10. In case of any queries please contact on the following email address:
